ABOUT CIVIC

CRAFTED WITH EXPERIENCE. BUILT TO LAST.

For over 30 years, Civic Shower Screens & Wardrobes has designed, manufactured and expertly installed custom glass and storage solutions that elevate everyday spaces.

With more than 400,000 installations completed across Australian homes, our reputation is built on precision, quality and timeless design.

Proudly Australian owned and family operated, based in Yatala, we service South East Queensland and Northern NSW, including Brisbane, Gold Coast, Sunshine Coast, Ipswich, Toowoomba, Hervey Bay and Byron Bay.

We specialise in shower screens, sliding wardrobe doors, custom wardrobe internals, mirrors and splashbacks. Every product is made to measure and professionally installed by our expert team, crafted from premium materials and backed by our 12 month warranty.

We create solutions made specifically for your space.

Elevate your style with Civic!

S3 Sleek

Shower Screens

6mm Semi-Frameless

S3 Core

The S3 Core combines modern simplicity with exceptional value. Featuring a frameless pivot door and streamlined Core layouts, it delivers a clean, light filled aesthetic, with architectural definition.

Finished in polished or matt silver, the S3 Core is a timeless and practical solution for renovation and new builds, with an NCC accessible entry configuration available.

S3 Sleek

S3 Sleek brings minimalist elegance to any bathroom, with a frameless pivot door and subtle semi-frameless design for a seamless, light filled look.

Available in polished silver, matt silver, black, brushed nickel, gunmetal grey, brushed gold and white. The S3 Sleek offers a stylish, versatile, and low-maintenance solution, configured to your space, with an optional NCC accessible entry configuration.

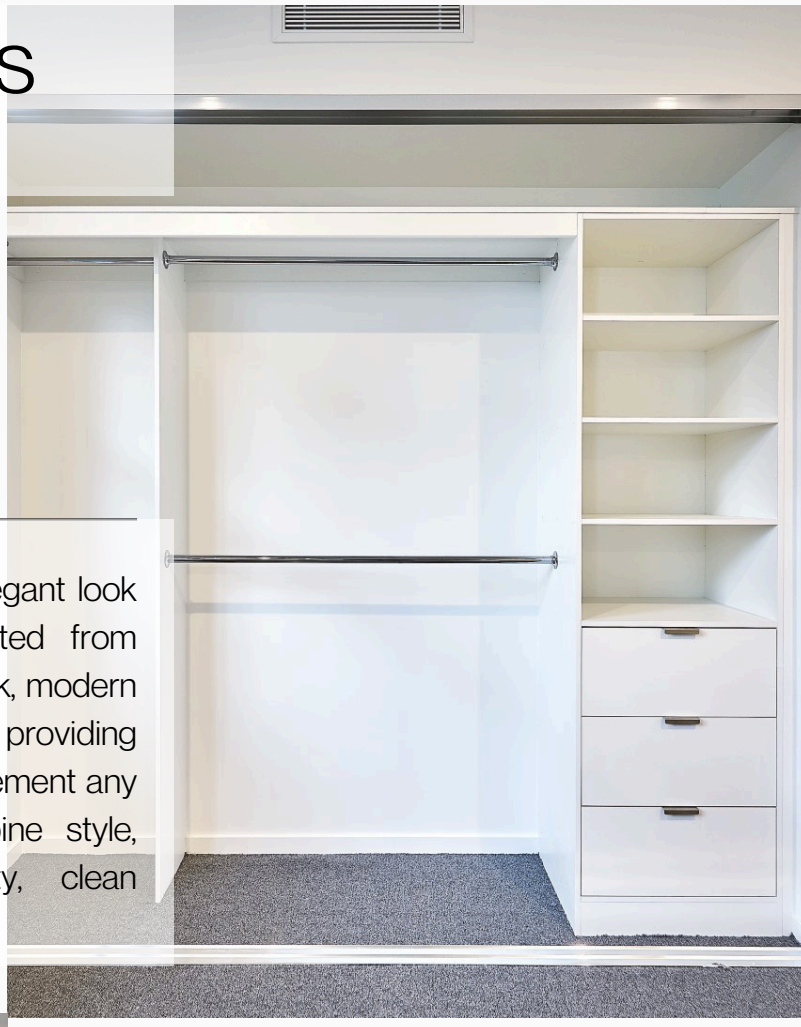
Built-in & Walk-In: Finishes

White



White Wardrobe Finishes bring a timeless, elegant look to any built-in or walk-in wardrobe. Crafted from premium white vinyl gyprock, they offer a sleek, modern surface that brightens your space while providing durable, practical storage. Designed to complement any interior, these custom-made finishes combine style, functionality, and a flawless, high-quality, clean appearance.

Coloured

Civic's Coloured Wardrobe Finishes offer a wide range of colours, from bold statement tones to subtle neutrals, with finishes including matte, smooth, satin, woodmatt, and textured. Custom-made to suit your space and personal style, these wardrobes combine modern elegance with practical durability, creating a chic, fashion-forward storage solution that complements any interior.

Custom Towers

Shelving

Wardrobe Internals

Built-in & Walk-In: Configuration

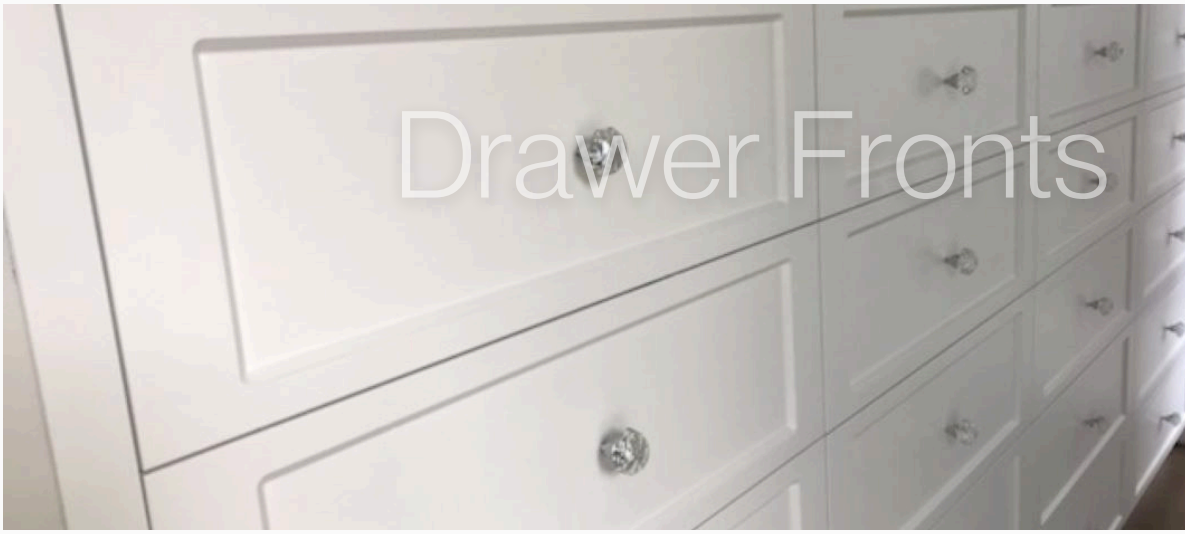
Custom Towers

Storage Towers maximise wardrobe functionality with versatile, customisable configurations. Choose from standard drawer towers or fully tailored designs with drawers, shelving, and accessories to keep clothes, shoes, and essentials perfectly organised. Built from premium materials for strength and durability, these towers combine practical everyday use with a sleek, modern finish that complements any wardrobe.

Shelving

Maximise storage, visibility, and organisation with our versatile wardrobe shelving options. Fixed or adjustable shelves are available in a range of styles and supports, providing elegant, flexible storage for all your wardrobe needs. Whether you're storing shoes, hats, folded clothes, or display items, Civic offers shelving solutions designed to suit your space, style, and lifestyle.

Drawer Systems



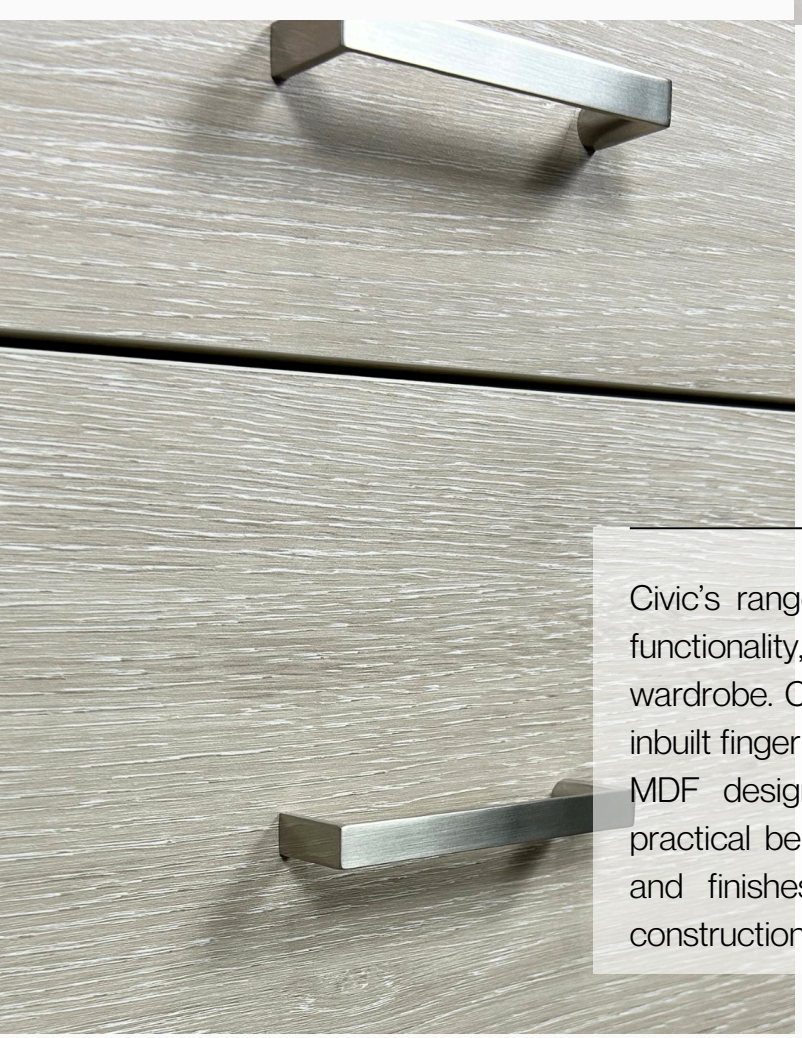
Drawer Fronts

Wardrobe Internals

Built-in & Walk-In: Configuration

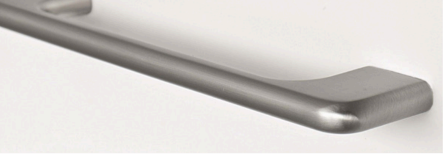
Drawer Systems

Smooth, durable, and tailored to your space, quality drawer systems combine strength, style, and effortless operation. Choose from metal side drawers, or premium soft-close drawers. Available in multiple configurations and sizes, each drawer is engineered for everyday use, long-lasting reliability, and seamless integration into your custom wardrobe.



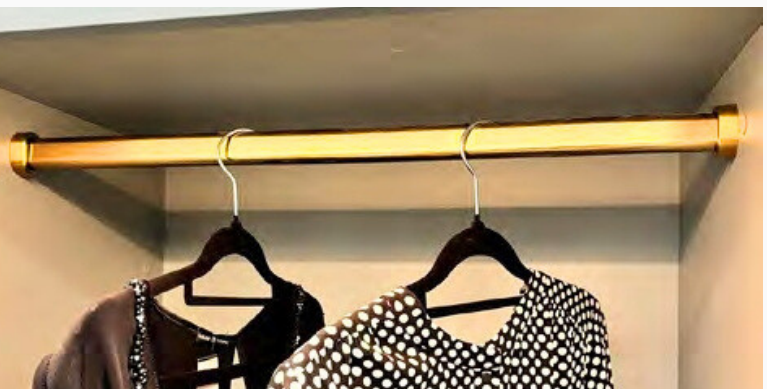
Drawer Fronts

Civic's range of custom drawer fronts combine style, functionality, and precision craftsmanship to elevate your wardrobe. Choose from air-gap, handle, vinyl wrap with inbuilt finger grip, shark nose, push to open, or patterned MDF designs, each offering unique aesthetics and practical benefits. Available in a wide range of colours and finishes, providing seamless operation, durable construction, and tailored options to suit any interior.



Handles

Hanging Solutions



Wardrobe Internals

Built-in & Walk-In: Configuration

Handles

Handles combine style, function, and durability for drawers and hinged doors, helping complete your custom wardrobe or cabinetry design. Choose from practical standard Nover Handles in classic styles or refined premium Momo Handles with distinctive textures and designer finishes. Available in a variety of shapes, sizes, and finishes, each handle is built for everyday use, smooth operation, and long-lasting performance.

Hanging Solutions

Practical, space-efficient storage, maximising vertical space and efficiently organising hanging garments with single or double rails. Made from premium steel and aluminium in polished silver, white, black, or gold, they offer strength, smooth operation, and a sleek, modern finish. Pull-down rails give easy access to high wardrobe spaces with a soft-close mechanism, available in matt silver or matt black and adjustable to fit your space.

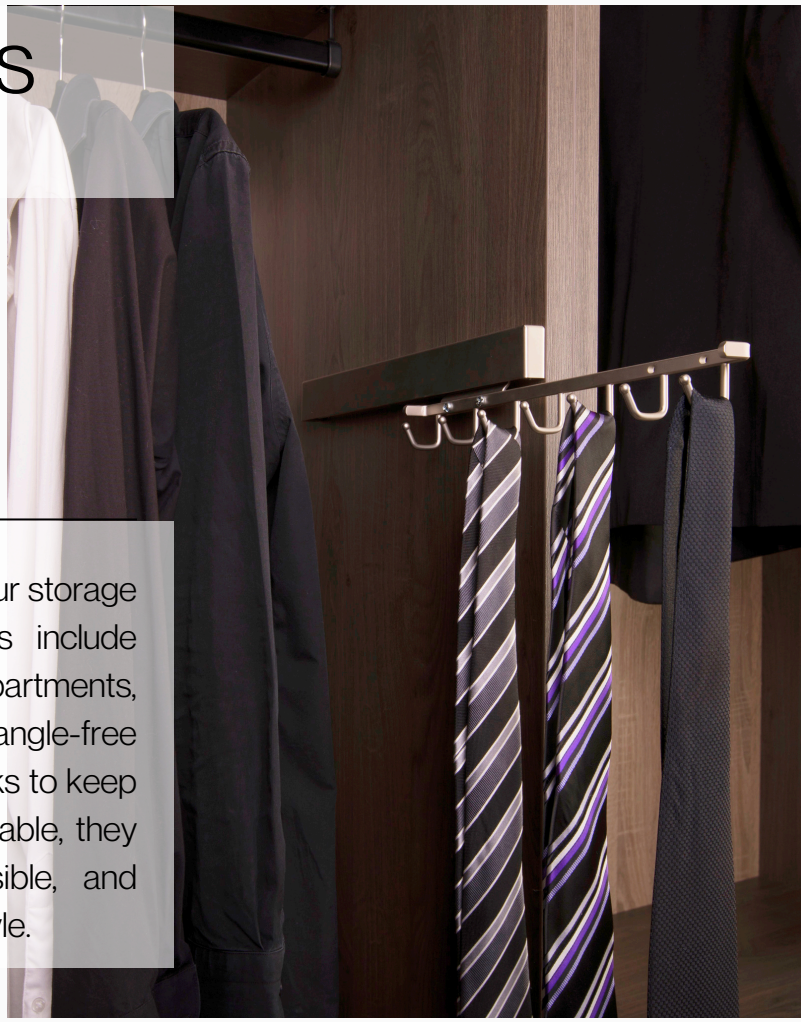
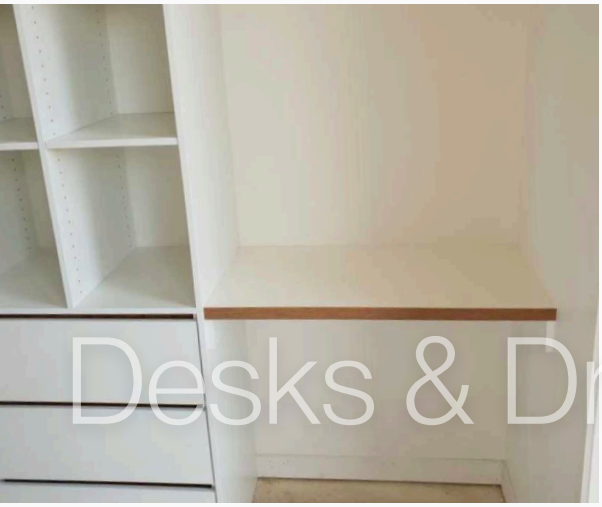
Accessories



Add style, convenience, and organisation to your storage space with Wardrobe Accessories. Options include Jewellery Tray Inserts with soft-lined compartments, Deluxe Sliding Belt and Tie Racks for tangle-free storage, and Soft-Close Pants or Trouser Racks to keep garments wrinkle-free. Practical and customisable, they keep clothing and valuables neat, accessible, and protected, while enhancing your wardrobe's style.



Desks & Dressers

Butler's Pantry

Custom Storage

Wardrobe Internals

Desks & Dressers

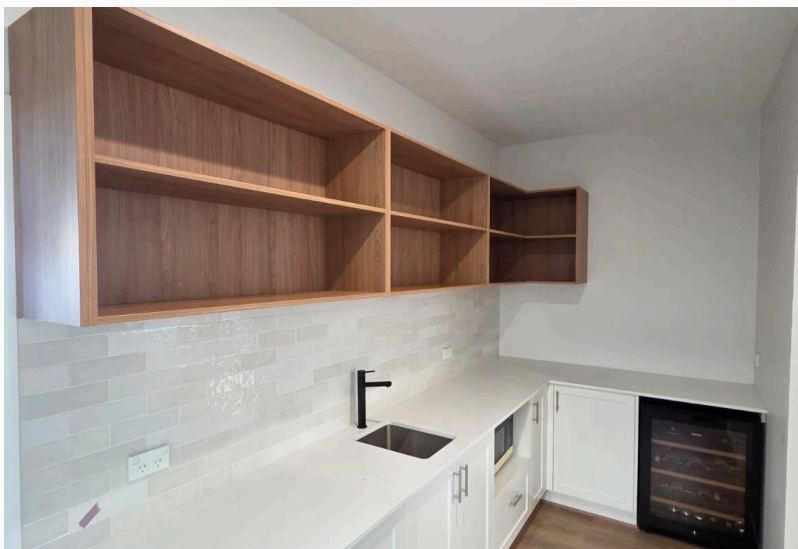
Versatile storage for bedrooms, studies, or multi-use areas, combining workspace with drawers and cabinets in one unit. Custom sizing and finishes allow it to complement your room's style, while providing practical organisation. Ideal for storing personal items, stationery, or electronics, it keeps your space tidy and functional. Perfect for creating a neat, productive study or dressier area in your wardrobe, tailored to your lifestyle.

Butler's Pantry

Designed to keep kitchens organised, functional, and visually streamlined. Custom shelving, drawers, and compartments store food, appliances, and essentials efficiently while maintaining a clean, integrated look. Each pantry can be tailored to suit your kitchen style and workflow, maximising storage and accessibility. Ideal for keeping everything within easy reach while reducing clutter and improving kitchen efficiency.

Linen Closet

Laundry & Storage



Custom Storage

Wardrobe Internals

Linen Closet

Practical storage for towels, sheets, and linens, with fixed or adjustable shelving and custom configurations to suit your space. Designed for easy access and neat organisation, it keeps your home running smoothly. Custom designed and tailored to maximise storage, while complementing your interior style. Ideal for maintaining order and convenience in bedrooms, bathrooms, or hallways.

Laundry & Storage

Optimises laundry and utility areas with built-in cabinetry, shelving, and flexible storage solutions. Designed for both top and front loader setups, it keeps cleaning products, household items, and linen neatly organised. Durable materials and smart custom layouts ensure your space runs efficiently while remaining tidy. Ideal for maintaining a practical, clutter-free environment in laundry rooms, mudrooms, or general storage areas.

Splashbacks

Toughened Safety Glass

MirrorMax

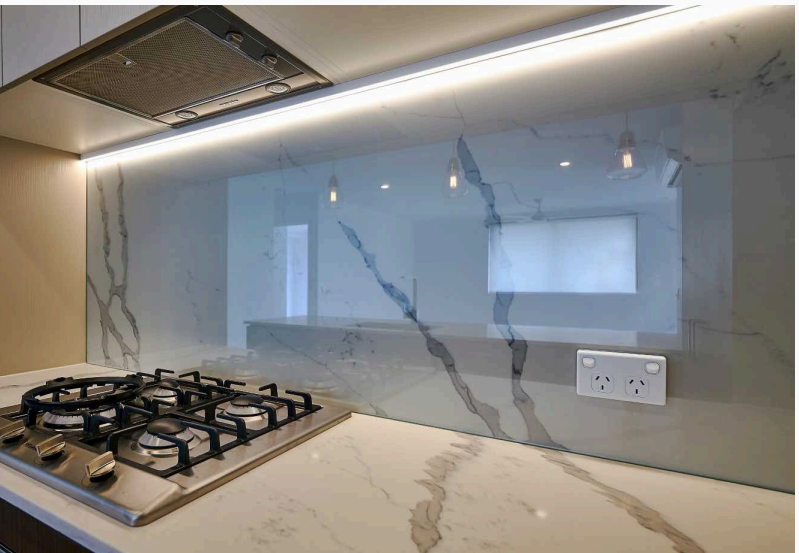
MirrorMax toughened splashbacks provide a sleek, reflective surface that enhances light and creates the illusion of space in kitchens, bathrooms, laundries, and commercial interiors. Custom-made to fit walls and fixtures precisely. Available in grey, bronze, or black mirror, featuring Civic's MirrorMax coating for extra durability. Combining heat and stain resistance, with easy cleaning and a contemporary, elegant finish.

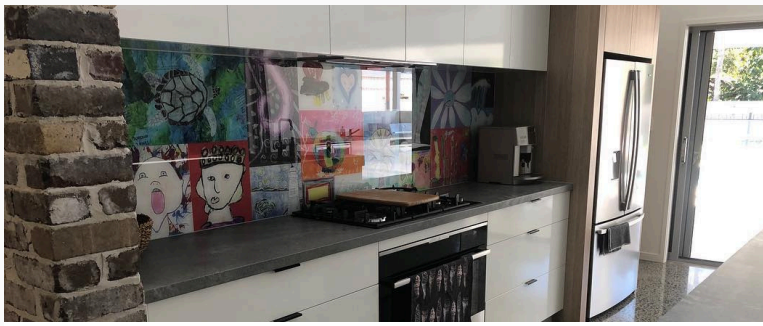
Painted

Civic's painted glass splashbacks add colour, shine, and easy-to-clean functionality to your space. Available in an extensive range of colours, including Australian Colour Standards, Dulux, and metallic finishes such as silver, pearl, copper, and mini sparkle. Match perfectly with your style with a seamless, reflective surface that enhances light and elevates any interior.

Textured Painted

Printed

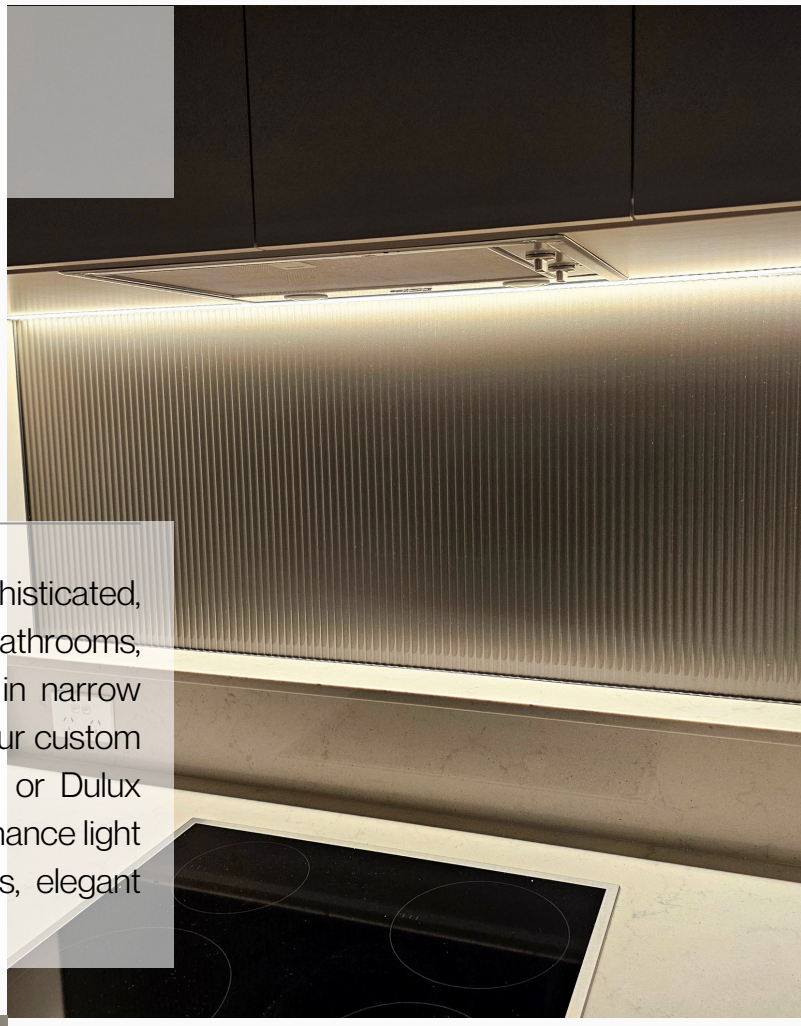




Splashbacks

Toughened Safety Glass

Textured Painted



Textured glass splashbacks provide a sophisticated, low-maintenance solution for kitchens, bars, bathrooms, laundries, and commercial spaces. Available in narrow reed/ fluted or satin lite textures and select your custom colours from the Australian Colour Standard or Dulux range. Textured painted glass splashbacks enhance light and create stylish texture, adding a luxurious, elegant touch to any interior.

Printed

Printed glass splashbacks provide a fully customisable, stylish solution for kitchens, bathrooms, laundries, and commercial spaces. Any high-resolution image, whether personal photos, artwork, or designs, can be printed directly onto heat-resistant toughened glass. Printed glass splashbacks create a reflective, visually striking surface that enhances light and adds a unique, personalised focal point to your space.

- Volume capability
- Site coordination
- Custom specifications
- Dedicated project support

SEE INTO CIVIC'S GLASS FACTORY

At Civic, we manufacture toughened safety glass for our shower screens, mirrors, splashbacks, robe doors, and wardrobes in our Yatala, Queensland facility. Also known as tempered glass, it is up to five times stronger than standard glass. Through a specialised heat-treatment process and rapid cooling, the glass achieves exceptional strength, heat resistance and enhanced safety, fragmenting into small, blunt pieces if broken. All Civic toughened glass is manufactured to comply with all Australian Standards, ensuring it meets strict national requirements for safety, strength and performance.

Available in clear, tinted, acid-etch, and textured finishes, our glass combines refined design with long-lasting durability for residential and commercial spaces.
