6MM TOUGHENED SAFETY GLASS

Crafted from 6mm toughened safety glass, the Civic Inline provides strength, durability, and a semi-frameless aesthetic. Its slimline profile allows light to flow freely, enhancing space and openness in any bathroom layout.

EXCEPTIONAL VALUE

The Inline offers versatile, practical, stylish shower solution at an affordable price point, perfect for homeowners, renovators, and builders alike.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, making it an ideal choice for both homeowners and builders.

FEATURES

- Stylish adaptable design with accessible entry option
- Durable 6mm toughened glass to Australian Standards
- Custom frame and hardware finishes to suit any décor
- Easy maintenance with minimal framework and smooth glass panels
- Professional installation for a precision fit

DESIGN FLEXIBILITY

The Inline Shower Screen is custom made and configured to suit your bathroom layout. With its frameless door and minimal perimeter framing, it delivers a streamlined, modern appearance while maintaining strength and stability.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a flawless finish.
- Minimal framing reduces dirt build-up, allowing for easier cleaning.
- For best results, clean with a soft cloth and a 50/50 water/vinegar solution (refer to Civic Cleaning Guides).

SAFETY

All Civic shower screens are manufactured to comply with Australian Standards AS1288 and AS2208 for glazing in buildings.

- 6mm toughened safety glass for strength and protection.
- Expert installation ensures a secure, long-lasting fit.
