

6MM PANELS

6MM SEMI-FRAMELESS SHOWER SCREEN

CIVIC | SHOWER SCREENS
& WARDROBES

Civic's 6mm Shower Screen Panels are refined, semi-frameless solutions that create open, light-filled wet areas. Featuring minimal framing and toughened safety glass, these custom-made panels deliver strength, sophistication, and seamless functionality.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Manufactured to comply with Australian Standards AS1288 and AS2208, Civic 6mm Panels combine precision engineering with premium materials to ensure long-lasting performance and style.

6MM PANELS

6MM SEMI-FRAMELESS SHOWER SCREEN

6MM TOUGHENED SAFETY GLASS

Constructed from durable 6mm toughened safety glass, Civic 6mm Panels provide enhanced strength, clarity, and safety. Designed to maintain a light, open feel, they are perfect for creating spacious wet areas without compromising on style.

Minimal framing creates a clean, contemporary appearance suited to both modern and traditional bathrooms. Ideal for:

- Large open entry showers
- Wet area dividers
- Custom bathroom configurations

EXCEPTIONAL VALUE

The 6mm Panel offers premium quality and performance at an affordable price point, making it an ideal choice for both homeowners and builders.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, making it an ideal choice for both homeowners and builders.

FEATURES

- Flexible panel design for versatile layouts
- 6mm toughened safety glass for durability and safety
- Minimal framing for a clean, modern aesthetic
- Suitable for bathtubs, small and large showers, and divider applications
- Customisable frame colours and glass options
- Professionally installed by Civic's experienced team

DESIGN FLEXIBILITY

The 6mm Panel Shower Screen is custom made to suit your bathroom layout. With minimal perimeter framing, it delivers an accessible, streamlined, modern appearance while maintaining strength and stability.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a flawless finish.
- Minimal framing reduces dirt build-up, allowing for easier cleaning.
- For best results, clean with a soft cloth and a 50/50 water/vinegar solution (refer to Civic Cleaning Guides).

SAFETY

All Civic shower screens are manufactured to comply with Australian Standards AS1288 and AS2208 for glazing in buildings.

- 6mm toughened safety glass for strength and protection.
- Expert installation ensures a secure, long-lasting fit.
