

10MM SLIDING: OPTO

10MM FRAMELESS SHOWER SCREEN

CIVIC | SHOWER SCREENS
& WARDROBES

The Civic 10mm Sliding Opto Shower Screen delivers a striking combination of architectural design and everyday functionality. Featuring frameless glass and exposed stainless steel hardware, Opto creates a bold, modern statement while offering a smooth, space-saving sliding system ideal for any bathroom.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Manufactured to comply with Australian Standards AS1288 and AS2208, the 10mm Sliding Opto Shower Screen combine premium materials with precision engineering for long-lasting performance and stylish design.

10MM SLIDING: OPTO

10MM FRAMELESS SHOWER SCREEN

10MM TOUGHENED SAFETY GLASS

Constructed from premium 10mm toughened safety glass, the Civic 10mm Sliding Opto provides exceptional strength, clarity, and durability. The frameless design enhances natural light and openness, while the exposed roller system delivers smooth, effortless sliding with a distinctive architectural edge.

EXCEPTIONAL VALUE

Premium design, bold styling, and reliable performance at an attractive price point, ideal for homeowners, renovators, and builders seeking both function and visual impact.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, and installed by our professional team. A complete end-to-end solution ensuring quality, precision, and consistency.

FEATURES

- Frameless sliding design with durable, exposed stainless steel hardware, for long lasting performance
- Smooth, space-saving quiet sliding door operation
- Reversible door, open left or right without customisation
- 10mm toughened safety glass manufactured to Australian Standards
- Custom-made to suit a wide range of bathroom layouts
- Suitable for installation on shower bases or tiled floors
- Bold, barn-door-inspired architectural styling

DESIGN FLEXIBILITY

Custom made to suit a variety of configurations, including wall-to-wall, corner, and phone box layouts. A wide selection of glass finishes and hardware colours allows Opto to integrate seamlessly into both contemporary and statement bathroom designs.

INSTALLATION & MAINTENANCE

- Professionally installed by Civic's trained team for a flawless fit.
- Minimal framing reduces dirt build-up for easier cleaning. For best results, use a soft cloth with a 50/50 water and vinegar solution (see Civic Cleaning Guides).

SAFETY

All Civic 10mm Sliding Opto Shower Screens comply with AS1288, AS2208, and AS3740.

Features include:

- 10mm toughened safety glass
- Vertical and horizontal seals for effective water containment
- NCC-accessible configuration
