SLIDING WARDROBE DOOR SYSTEM

PREMIUM GLASS & MIRROR INSERTS

Civic Frameless Wardrobe Doors are designed for modern interiors, combining strength, simplicity, and refined styling. Available in a range of glass and mirror finishes, they maximise light and create a sense of space while maintaining durability for everyday use.

EXCEPTIONAL VALUE

Premium design and engineered performance at an attractive price point, ideal for homeowners, renovators, and builders seeking both style and practicality.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, and installed by our professional team. A complete end-to-end solution ensuring quality, precision, and consistency.

FEATURES

- Sleek frameless design with minimal Micro-Frame or Finger Grip options
- Concealed large-diameter rollers for smooth, quiet operation
- Anti-jump track system for secure and stable door movement
- Low-profile bottom track for a clean look and easy maintenance
- Custom-made to suit any wardrobe opening
- Wide range of glass and mirror finishes available
- Designed and manufactured in Australia for lasting quality

DESIGN FLEXIBILITY

Custom made to suit a wide range of wardrobe configurations, including wall-to-wall and corner installations. With flexible design options and a variety of finishes, Civic's frameless wardrobe doors integrate seamlessly into both contemporary and classic interiors.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a precise fit and smooth operation.
- Low-profile tracks and minimal framing reduce dust build-up for easier cleaning.
- For best results, use a soft cloth with a 50/50 water/vinegar solution (see Civic Cleaning Guides).

SAFETY

Where glass or mirror inserts are used, all Civic Frameless Wardrobe Doors comply with AS1288 and AS2208.

Features include:

- Safety-backed mirror
- Anti-jump tracking system for secure panel alignment
- Smooth, controlled sliding operation
- Professionally installed for a safe, long-lasting fit
