

WINE CELLARS

10MM FRAMELESS TOUGHENED GLASS

CIVIC | SHOWER SCREENS
& WARDROBES

Civic's custom made Wine Cellars deliver a premium combination of style, strength, and functionality. Designed to showcase and protect your collection, they feature sleek glass doors and modern detailing suited to both residential and commercial interiors.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Manufactured to Australian Standards AS 1288:2021 and AS 2208:2023, Civic Wine Cellars combine toughened safety glass with precision fabrication for long lasting performance and visual impact.

WINE CELLARS

10MM FRAMELESS TOUGHENED GLASS

10MM TOUGHENED GLASS

Civic Wine Cellars are a bespoke storage solution crafted from 10mm toughened safety glass, offering strength, clarity, and a refined architectural finish. Designed to showcase your collection with elegance, they enhance visibility while creating a striking feature within any space.

EXCEPTIONAL VALUE

Premium glass design offering durable, long lasting performance for residential and commercial use

AUSTRALIAN MADE

Designed and manufactured in Civic's Yatala QLD factory and installed by our professional team, providing a complete end-to-end solution with precision and quality.

FEATURES

- Frameless 180° hinged door for easy access
- 10mm toughened safety glass for strength and clarity
- Designed to showcase your collection as a feature
- Custom-made to suit your space and layout
- Minimal framing for a clean, architectural finish
- Premium hardware and glass options

DESIGN APPROACH

Civic Wine Cellars are designed with a fully custom, architectural approach, tailored to suit your space, collection, and aesthetic vision. Each installation is created as a bespoke feature that balances function and luxury.

Glass and hardware options ensure seamless integration with both contemporary and classic interiors, delivering a cohesive and elevated result throughout the space.

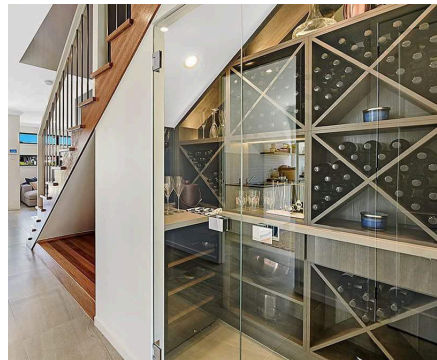

INSTALLATION & MAINTENANCE

- Installed by Civic's expert team
- Smooth glass surfaces make cleaning simple, wipe with a soft cloth and a 50/50 water/vinegar solution.

SAFETY

All Civic Wine Cellars are manufactured and installed to comply with Australian Standards AS 1288:2021 and AS 2208:2023. Features include:

- 10mm toughened safety glass
- Secure fittings for structural stability
- Designed for long term durability
- Professionally installed for safety and performance
