Option Not Available in:

✦ Frameless Wardrobe Doors

NOTES

- Frameless Doors - each end door will come with: 1x Finger Grip Micro-Frame side + 1x Micro-Frame side
- >1800mm opening, double doors may not provide a wide enough opening for your needs, a triple door and track solution would allow wider access
- Tracks longer than 2700mm, the track will need to be split and joined to accommodate delivery and require professional install
- Tracks are installed with end caps to ensure no scratching and to provide a clean finish.
- Painted Glass - colour match to: [Australian Colour Standards](#) or [Australian Dulux Colours](#)
- A Special Order refers to a non-standard product that is available by request. These items typically require a minimum order quantity, are subject to availability, and may incur additional costs and extended lead or processing times.
- See individual product guide on our website for specific information. civicscreens.com.au
