

10MM DESIGNER FRAMED

10MM SHOWER SCREEN

CIVIC | SHOWER SCREENS
& WARDROBES

The Civic 10mm Designer Framed Shower Screen combines robust durability with refined style, delivering a premium framed design that enhances both strength and visual appeal. Custom-made it provides a precise fit and a polished, professional finish suitable for modern renovations and new builds.

Key design factors covering: • Performance • Maintenance • Value • Accessibility • Durability • Appearance • Safety • Construction
Manufactured to comply with Australian Standards AS1288 and AS2208, Civic's Designer Framed Shower Screens combine high-quality materials with precision engineering for long-lasting performance and dependable everyday use.

10MM DESIGNER FRAMED

10MM SHOWER SCREEN

10MM TOUGHENED SAFETY GLASS

Constructed from premium 10mm toughened safety glass, this system delivers exceptional strength, clarity, and durability. The framed design adds structural integrity while maintaining a clean, modern aesthetic, making it ideal for both functional and design-focused bathrooms.

EXCEPTIONAL VALUE

A strong, stylish, and practical solution that balances premium design with long-term durability, offering excellent value for homeowners, renovators, and builders.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory and installed by our professional team. A complete end-to-end solution ensuring precision, quality, and consistency.

FEATURES

- 10mm toughened safety glass for superior strength and clarity
- Designer framed construction for added durability and style
- Custom-made to suit your bathroom layout
- Professionally installed for a precise, seamless finish
- Suitable for modern bathrooms, renovations, and new builds

DESIGN FLEXIBILITY

Custom made to suit a wide range of bathroom configurations. A selection of glass finishes, textures, and frame colours allows seamless integration into both contemporary and classic bathroom designs.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a flawless and precise fit, even in bathrooms with uneven walls or complex layouts.
- Cleaning is simple, just wipe with a soft cloth and a 50/50 water and vinegar solution (see Civic Cleaning Guides).

SAFETY

All Civic 10mm Designer Framed Shower Screens comply with AS1288, AS2208, and AS3740.

Features include:

- 10mm toughened safety glass
- Designer framed construction for strength and stability
- NCC-accessible configuration
